Dear Families,

Re: SCHOOL OPENING CONFIRMED – Monday 9th November 2020

I am very pleased to say that Burton Borough School will be open again from Monday 9th November 2020.

We really appreciate your understanding, your kind comments and the empathy you have shown on the situation we are currently dealing with! Nobody could have pre-empted that a plan A, B, C and D would not work and that a plan E was needed to be put in place! However, we have found one and on the proviso nothing major happens between now and Monday morning, we will be fully open.

All safety measures have been discussed, including fire safety measures and even what we do in the event of heavy snow on Monday and Tuesday when key staff still need to self-isolate (it seems unlikely but it is 2020 and it seems anything can happen). We are confident that the site will be safe for our students and staff.

Staff who have been told to isolate by Track and Trace will return to work on Wednesday 11th November 2020 so usual procedures will apply again from this point.

I hope you have a lovely weekend and thank you for your understanding on why we needed to close our school today.

I look forward to seeing all your children on Monday morning.

With all good wishes,

Krissi Carter
Principal
