

Careers Activity – Using Start Profile – Year 10

Step 1 : Register or login to Start at <https://www.startprofile.com/> (see additional attachment for how to register and how to explore the software).

Step 2: Click onto “my activities- see all modules and activities”

The screenshot shows the Start Profile dashboard for Lisa Kane, Year 12. The navigation bar includes 'My Profile', 'World of Work', 'What To Study', 'Where To Learn', 'Employability', and 'Log Out'. The main content area features a 'My Activities' section with a 'Selling Yourself' activity card, a 'Jobs You Should Know About' section listing Project Manager, Social Worker, Data Analyst, Sales Representative, and Accountant, and a 'My Locker' section. A red arrow points to the 'See all modules and activities' link in the 'My Activities' section.

Step 3: Click on the “exploring my future” tab and work through the modules

The screenshot shows the 'Exploring My Future' tab selected in the Start Profile dashboard. The dashboard displays a list of modules with progress bars and 'Open Module' buttons. The modules are: Opening your eyes, Exploring Pathways, Investigating Industries, Life as an Apprentice, and Employer Spotlights.

Step 4: Click onto the Home Learning tab and work through the module

The screenshot shows the 'Home Learning' tab selected in the Start Profile dashboard. The dashboard displays a single module 'Home Learning Activities' with a progress bar and an 'Open Module' button.

If you have any questions, you can email Mrs Kane directly on lisa.kane@taw.org.uk.
