Dear Head Teacher

Re- Coronavirus

We have been asked to inform you that in light of new advice from Public Health England, we are not going to be providing a face to face contact with children and young people currently in school until the 12th April 2020. Also, the Health drop in's in Secondary schools will not be available to young people however the service will provide young people with telephone consultations to support them if requested by school.

There are supportive services in place

Single Point of Access- 0333 358 3328 School will still be able to seek advice for children and young people.

Chat Health service for over 5's texting service on 07520619051

Parenting Line (Chat Health) for the Under 5's on 07520619053

These lines are operated by qualified Specialist Public Health Nurses who will be able to offer you appropriate support.

Coronavirus Public Health Advice for Schools 0800 046 8687

General Advice NHS Coronavirus NHS 111 on line advice and guidance.

Yours Faithfully

Sharon Clark, Gayle De Souza , Sarah Gray
