

9th March 2023

Dear Parent/Carers

Re: **School closing at 12:30pm – Thursday 9th March 2023**

The weather conditions this morning in Newport have been continuously monitored and have worsened.

The decision has been made that **SCHOOL WILL BE CLOSING TODAY AT 12:30PM.**

The buses will be on site for 12:30pm to collect students who normally travel on them.

Any students who are not able to make their own way home, will be sent to the Hall. If your child has a mobile phone, they will be allowed to use this to contact you. If they do not have a mobile phone, then you will be contacted by school to make arrangements to collect them.

Any students who receive free school meals, but have not used this at morning break, will be provided with a lunch from the canteen at 12:30pm.

An update on the plans for tomorrow will follow in due course.

Apologies for any inconvenience.

Kind regards,

Burton Borough School
