

The catering provision at Burton Borough School is provided in house by our own catering team. This gives us the opportunity to provide best practice and pricing with our own on-site catering.

All our products come with allergen information for any special dietary requirements. We also use a product in our cooking reduces the necessity of sugar by 30% in our production.

Daily on our menu are a variety of vegetarian and vegan options.

We can also provide catering for external functions on request and have policies in place for the provision of special dietary requirements. If you've got an event that you need catering for, please get in touch, we'll happily give you a quote.

We aim to link into the school curriculum, to work together as one with school.

Look out for our theme days, events and special offers, not only in school, but also on on Twitter account @BBS_Catering.

Should you have any questions, please give the Catering Team a call on the main school number or email at the address below:

Telephone: 01952 386500

Email: kitchen.bbs@taw.org.uk
