

At Burton Borough School we believe that students should feel comfortable and look smart when taking part in PE.

Students have a core kit that they must have for lessons. Alongside this we also have optional sportswear available to purchase. Please note that no other outer layer items are allowed for lessons. If students need to wear base layers when on outdoor sports, these must be plain navy blue or black.

All kit can be purchased directly from Newport Sports, Newport or Baker & Son, Wellington.

PLEASE NOTE: The majority of students will do rugby as part of the PE curriculum. Therefore, we recommend that the most appropriate top to wear is the rugby shirt. We take no responsibility for any damage to any items of PE uniform that are damaged during lessons. Additionally, students who wish to train for rugby clubs in school are highly recommended to have the rugby top.
