Some of our year 9 and 10 students went to their Brilliant Club Graduation at Manchester University last week. Well done!

Well done to everyone who has received their bronze/silver/gold awards recently as well as positive notes, certificates and other awards! More photos on Instagram and Twitter @BurtonBorough.

Huge well done to our Year 8 Boys Rugby team. They played Prestfelde on Monday night. They put in a really good game. They unfortunately lost the game but the second half was a tie. Really impressive game! Well done to Ollie and Harry who both scored tries!

### **Year 7 Notices**

The Burton Borough Maths Department and our Year 7 students are taking part in a 2 year study in collaboration with the UCL Institute of Education and the Education Endowment Foundation. It is an exciting opportunity for us to help shape the future of Maths education, and aims to improve understanding about the most effective ways to group students for teaching.

All of our Year 7 students will be taking part in the first part of the study, which is a 10 minute survey, in the week of 13<sup>th</sup> February. (Unless they opted out). We will continue to keep you informed as the study progresses.

Parent's / Carer's Evening is on Thursday 28<sup>th</sup> February 5:00pm- 7:30pm in the Main Hall. All students have been given a sheet to start collecting teacher appointment times. More information to follow. To complete the Parent's /Carer's Survey ahead of the evening please click on the QR code below:

We are launching our July 2024 expedition to India; this will be a great opportunity for students to travel and experience our world's cultural diversity, visit important cultural/religious places of interest and develop leadership and volunteering skills. They will also achieve their ASAN Leadership award which acts as additional UCAS points for University. In the past, we have successfully taken students to Borneo and Tanzania where students have obtained a great deal of life skills. The trip open for students interested in Years 9 & 10. If you are interested in your child participating, please read the letter sent to families by Miss Jones on Friday 3<sup>rd</sup> February. A MS Teams meeting will be available to families on 15<sup>th</sup> February 2023 at 6pm for more information.
