

18<sup>th</sup> August 2020

Re: **Year 11-Results day arrangements Thursday 20<sup>th</sup> August**

Due to the current Covid-19 situation we have had to make our arrangements for results day this year, slightly different. There are set times for collection as follows:

<b>9am- 9.45am</b>	<b>Aqualate students</b>
<b>9.45am- 10.30am</b>	<b>Chetwynd Students</b>
<b>10.30am- 11.15am</b>	<b>Hawkstone students</b>

If you miss your allocated time slot, please arrive between 11.15am and 11.30am. Any results not collected by 11.30am will be posted home. If you cannot attend on the day your results will also be posted home on the Thursday.

Please enter the **sports hall** via the foyer as signposted. You are requested to sign the attendance sheets and supply an email address that you can be contacted on. You should then proceed to the tables where you will be given your results along with any yearbook and hoodie that you have ordered. We then ask that you leave the hall immediately through the rear fire exit and back out through the student gate.

There will be no teaching staff in attendance to keep staffing to a minimum. We have set up a new exams email that all results/appeals/exam re-sit queries need to be directed to please:

[bbs.exams@taw.org.uk](mailto:bbs.exams@taw.org.uk)

Only Year 11 students will be permitted to enter the hall please, no accompanying parents/carers/family members. You will be given a temperature check before you enter and requested to sanitise your hands with the products provided. We ask that all students arrive at school wearing a face covering, to protect themselves and our staff. Obviously if you are showing any of the known Covid-19 symptoms we ask that you do not attend. We request that you adhere to the social distancing guidelines throughout your time on the school site.

Should the situation change significantly as results day approaches, we will contact you with any new information.

We trust you will understand and respect the need to put specific arrangements in place, to keep yourselves, our staff, and our site safe and healthy.

Enjoy your summer.
