

20th August 2020

Dear Student

We would like to take this opportunity to thank you for patience and resilience regarding the cancellation of the Summer 2020 exam series. Whilst it was strange for us as a school, not to hold written exams, we appreciate it was so much harder for you having worked so hard in preparation.

Please find enclosed your results.

Combined science students will get an award consisting of two equal or adjacent grades from 9 to 1 (e.g. 9-9, 9-8, 8-8 through to 1-1), and it will count as two GCSEs when students apply for jobs, sixth form, or to university.

We do hope these results will enable you to proceed as planned to the next stage of your education.

As this year is so different from previous exam seasons, we have set up a specific email address:

bbs.exams@taw.org.uk

We would kindly request that **ALL** correspondence regarding results, appeals and requests for resit exams are sent to only this email address by the student so that they can be managed correctly.

All written GCSE exams are open to the resit option, along with GCSE Art. Please be aware of the **September 11th deadline** to request an exam resit via bbs.exams@taw.org.uk.

Your UPN/ULN and UCI codes are also given as you may need these to enrol at your chosen Post 16 college/placement.

You will be invited to collect your Exam Certificates during the Autumn term.

Finally, we would like to pass on best wishes for the future from everyone at Burton Borough. Please let us know how you are getting on as it is always great to know how our past students are progressing.

With regards from all the staff at Burton Borough School.
